Top 50
Residential
Developers
in CEE: 2000 - 2010

Top 50 Residential Developers

in CEE: 2000 - 2010

1

Dom Development S.A.

Jaroslawn Szanajca, CEO

Poland

Total Units Completed: 12,870

Total Projects Completed: 69

Active since since 1996, Dom Development is a leader on the residential market, specializing on both high-end and mass market projects. In all, by the end of 2010 Dom Development had delivered 15,000 flats in Warsaw and Wroclaw. It expects to complete another 1,100 this year. Many of its projects are recognized as among the most exclusive investment in the country.

2

J.W. Construction Holding S.A.

Tomasz
Panabażys
CEO

Poland

Total Units Completed: 12,128

Total Projects Completed: 48

The developer began on the Polish prop-

erty market with residential projects in Warsaw. Now a leading company in its core market, J.W. Construction has begun increasing the scope of its investments beyond the nation's capital. It also acts as a general contractor. In total, the company has built, or has in planning 23,000 flats and 350 detached houses.

3

Central Group

Dušan Kunovský
Chairman of
the Board

Czech Republic

Total Units Completed: 6,091

Total Projects Completed: 75

Central Group entered the Czech market in 1997 by catering to consumers interested in discount level family homes. A decade and 113 projects later, the company had shifted to more mid-market price tags. The company has stayed clear of credit (by tapping its own equity and customer installment payments). It brought in Swiss investor GPC in 2009.

4

Budimex Nieruchomości

Henryk Urbański
Chairman of the
Board and CEO

Poland

Total Units Completed: 5,922

Total Projects Completed: 28

This subsidiary of Poland's largest contractor (Budimex) began in Warsaw before expanding to other major cities to provide large-scale housing. Budimex has delivered over 5,000 flats and now one of the country's strongest players with base capital of PLN 65.3m. It was awarded third-prize for the strongest brand on Warsaw's housing market.

reas

REAS – Residential Advisors has worked together with CJU to produce the TOP 50 Residential listing this month, providing data and preparing the ranking for it.

5

FINEP Holding

Tomáš Pardubický
CEO

Czech Republic

Total Units Completed: 4,517

Total Projects Completed: 16

While this Czech developer has become increasingly active in commercial projects, it established itself as a leader in the residential sector, completing 16 projects and nearly 6,000 units since 1995. The company expanded to Slovakia in 2006 with its project Jégého alej in Bratislava, and debuted on the high-end market with Cisařka villas in Prague 5.

6

Multi Hekk

Krzysztof Kasprzyk, CEO

Poland

Total Units Completed: 4,428

Total Projects Completed: 15

Established in 1990, Multi-Hekk Nieruchomości provides construction services and materials, but its core activity are real estate investments and the manufacturing of ceramic and carpentry materials. It specializes on reducing development costs and has delivered 6,000 flats to the broader market.

7

Ataner
Ryszard Szulc
CEO

Poland
Total Units Completed: 4,383
Total Projects Completed: 23

Ataner has been delivering both residential and commercial projects in Poland for the last 20 years, but its core market is the city of Poznań. In all, Ataner has completed, 7,500 flats, along with commercial space. It's usually the investor, developer and general contractor for its projects, including work on Polanka 2, the largest residential project in the region.

8

Skanska Reality
Bjorn Mattsson,
Managing
Director

Czech Republic
Total Units Completed: 4,470
Total Projects Completed: 47

Skanska has been a major force in the Czech market since 2000. Along with vast construction activities, the company has developed 4,470 units in 47 projects. It develops a wide variety of homes ranging from starting flats to mid-market apartments. It's begun work on its first project in Liberec and is looking at other regional cities as well.

9

Grupa Inwestycyjna Hossa S.A
Mariusz Gawron
CEO

Poland
Total Units Completed: 3,840
Total Projects Completed: 55

Grupa Inwestycyjna Hossa has developed dozens of apartment schemes with over 4,000 flats, along with half a million square meters of retail and office buildings. It's now one of the most recognized brands in northeast Poland, providing complete development services, including planning and operations. As an active member of the Polish Developers Assoc., it promotes legislation and regulations supporting the residential industry.

11

P.I.B. EBEJOT
Andrzej Jaczewski and Regina Katner
Vice Chairman of the Board
and Board of Directors

Poland
Total Units Completed: 3,037
Total Projects Completed: 14

Przedsiębiorstwo Inwestycyjno Budowlane Ebejot's built its first apartment complex in Mokotów in 1999. Since then, it's increased its portfolio to 29 buildings with a land bank of 20 ha. Now an established brand in Poland, the company has won various awards, including Building of the Year in 2005.

10

Qualia Development
Leszek Piotr
Nałęcz
CEO

Poland
Total Units Completed: 3,357
Total Projects Completed: 19

A subsidiary of PKO Bank Polski Capital Group, Qualia Development develops large-scale projects featuring coherent architectural concepts that fit into the image of the cities and districts they're located in. The latest flagship investment of Qualia is a series of seven high-end buildings in the Flotyła district to be delivered in Miedzyzdroje.

15

Invest Komfort S.A.

Mieczysław Ciomek, CEO

Poland

Total Units Completed: 2,797

Total Projects Completed: 27

Operating on Polish real estate market since 1995, Invest Komfort is a subsidiary Baltis, a company formed by SGI Baltis oraz Porta Drzwi. Invest Komfort is active in Gdynia, Gdańsk and Sopot, producing purely high-end projects in exclusive locations. In 16 years of business, it's delivered 27 projects.

7. Qualia Development	3,357
8. P.I.B. EBEJOT	3,037
9. PBO Dach Bud	3,035
10. Polnord	2,951

Total Number of Units are based on residential units completed between 2000 – 2010

12

PBO Dach Bud

Jan Chorostkowski
CEO

Poland

Total Units Completed: 3,035

Total Projects Completed: 12

Begun as a small construction company in 1986 PBO Dach Bud did primarily minor construction and renovation work, before expanding its activities to include development. Today, it's become one of the largest development companies in Lower Silesia. Its first residential project was a housing complex in Sąsiedzka in 1996. In all, the company's delivered 225,000 sqm of residential space.

13

Polnord S.A.

Bartosz Puzdrowski
CEO

Poland

Total Units Completed: 2,951

Total Projects Completed: 31

Set up before 1989, Polnord was active primarily in the development of residential projects in the Tricity area. But it's also active in Łódź, Wrocław and Poznań, along with second-tier cities like Olsztyn or Szczecin. Recently completed residential schemes include Osiedle Jablonowa, Kamienica pod Wrzosem and Baltic Center.

14

Alkon Budownictwo

Mariusz Białek
CEO

Poland

Total Units Completed: 2,832

Total Projects Completed: 31

Allcon Group specializes in build-to-suit projects, along with delivering its own developments. But it has a wide spectrum of additional activities, including developing and running hotels, office and retail properties. Its core markets are Gdynia, Gdańsk and Sopot. Formed 16 years ago, the company has delivered 20 residential projects from the high-end to the mass markets.

16

**BRE.
locum S.A.**
Krzysztof
Suskiewicz
CEO

Poland
Total Units Completed: 2,794
Total Projects Completed: 30

Established in 2000, BRE. locum a subsidiary of BRE Bank. Now a listed development company, the company operates on five local markets where it's carried out 15 residential projects with 2,700 units of 185,000 sqm of living space. BRE. locum also provides residential housing property management services.

18

Inpro S.A.
Piotr Stefaniak
CEO

Poland
Total Units Completed: 2,640
Total Projects Completed: 26

This company made its debut this year on the Warsaw Stock Exchange, a daring move at a time when investors were suspicious about the development sector. It was established in 1987, and offers apartments and houses. Inpro has 25 projects to date, plus a number of general contracting and renovation deals in Gdańsk and the entire Tri-city market.

17

Autóker Holding

Eliav Maimon
CEO

Hungary
Total Units Completed: 2,661
Total Projects Completed: 7

Autóker Holding is one of the powerful players on Hungary's real estate market, with particular activities on the residential and industrial markets. It produced its first residential project in 2002, the 316 unit Cézár Ház project. More recently, Autóker completed Marina Part Premium, with nearly 300 apartments along with commercial space.

19

Prelios
Małgorzata Kosińska
CEO

Poland
Total Units Completed: 2,636
Total Projects Completed: 13

Prelios is a relatively new name to the market, having traded under the Pirelli Real Estate moniker in the past. The company carried out over 2,500 residential units in Poland between 2000-2010. The company's other two markets are Italy and Germany, but it's currently in the process of divesting itself of developments in order to focus on asset and fund management.

20

Eco Classic
Wojciech Fabiński
CEO

Poland
Total Units Completed: 2,545
Total Projects Completed: 15

Eco Classic was established in 1983 as Grupa Eco. Originally a project manager and general contractor, it has since evolved into a developer focusing on upper-end residential products. It's carried out more than 100 projects and expanded from Warsaw to the Tri-city market, as well as schemes in Germany and Israel.

21

Sekyra Group

Luděk Sekyra
Chairman of
the Board

Czech Republic

Total Units Completed: 2,303

Total Projects Completed: 19

Established in 1994 by Luděk Sekyra, Sekyra Group was focusing on lower end residential long before it began working on BTS office schemes like the headquarters for T-Mobile, Nestle and Skanska. Its residential schemes moved gradually up-market, with schemes in popular areas like Residence Korunní in Prague-

Vinohrady, or Belarie Park in Modřany. Sekyra Group expanded to Slovakia in 2006.

22

Acciona Nieruchomości

Carlos de Leon
Member of the Board

Poland

Total Units Completed: 2,172

Total Projects Completed: 17

Acciona Nieruchomości in Poland dates back to 2005, when the Polish company Mostostal Invest was bought by the Spanish developer Acciona Inmobiliaria. It's been active in Warsaw locations like Gocław or the upscale Mokotów. Its scheme Apartamenty Pańska did much to bring life to the otherwise neglected Pańska street in downtown Warsaw.

24

Dolcan

Sławomir Doliński
Chairman of the Supervisory Board

Poland

Total Units Completed: 2,155

Total Projects Completed: 21

A Warsaw specialist in development, Dolcan has 20 projects delivered to date since early 1990s. The company's currently working on eight new projects, while 11 more are in the pipeline. Dolcan is also involved in other construction activities, along with the wholesaling of construction and fit-out materials.

Top 10 Residential Developers in Hungary
