

Wolne Miasto enters third stage

■ **POLAND** Eco-Classic has started building and selling apartments in the third stage of its Wolne Miasto investment in Gdańsk. The estate will have 184 apartments with areas ranging from 30 sqm to 99 sqm and priced at between PLN 4,770 and 5,290 per sqm. The completion of the project is scheduled for Q1 2018. The executive partner of Eco-Classic in the realisation of the third stage is MW Kontrakt, while the finance is being provided by MBank Hipoteczny. Eco-Classic Architects is responsible for interior design.
